

FMCSA Clearinghouse Compliance Package

The new and required FMCSA Clearinghouse was launched on January 6, 2020 by the U.S. Department of Transportation. If you have not already registered your business with the Clearinghouse, please do so as soon as possible and remember you must designate Noble Diagnostics, Inc. as your C-TPA. Registration is mandatory for any business operating under the authority of the FMCSA where federally regulated drug and alcohol testing is necessary. Below is the link to the FMCSA page where you can register.

Noble Diagnostics is offering an **FMCSA Clearinghouse Compliance Package** for \$350.00 dollars. The package contains all the required forms and information needed to make your program fully compliant with the new Clearinghouse regulations. If you are interested in purchasing this package or finding out more information about it, please email us at compliance@noblediagnosics.com.

We appreciate your business!!

Sincerely,

Noble Diagnostics, Inc.
